

Extinguisher

FGFC2 2 KG CO2 EXTINGUISHER

Technical specification:

PRODUCT CODE	FGFC2
* Capacity:	2KG
* Fire Rating:	34B
* Test Pressure Bar:	250
* Working Pressure Bar:	166
* Temp Range:	-30°C to +60°C
* Discharge Time (sec):	6
* Total Weight (Kg):	6.4 Kg
* Extinguishing Agent:	CO2

BS EN 3
KM 591532

Features:

- * High - grade brass head assembly ensure reliability and efficiency
- * Working Pressure 60 Bar for maximum fire fighting performance give greater application
- * Cylinders are long drawn high grade seamless steel pipe for optimum strength
- * Polyester external coating and oven baked adds extra protection to withstand extreme temp.
- * Simple seize and squeeze method of operation combine with controlled discharge for max fire fighting performance with a safety pin.
