

SECURE

Founded in 1985, **Tomatech** specializes in the conception and manufacturing of fire pump controllers listed by UL and approved by FM and in accordance with the widely recognized NFPA 20 standard. In addition, controllers are developed to meet various local standards and approvals such as A2P (France) and LPCB (UK), to name a few.

All **SECURE** approved pumps are equipped with **Tomatech** controllers. **SECURE** branded jockey pumps can also be supplied with **Tomatech** jockey controllers as additional feature.
